be in my state and i would like it to be in a location that has alot of young people. i am twenty-three years old and i am looking for a place that has pool table and jukebox. they should have a non smoking or smoking option. this is the first place i have tried to look for a place.and so far i have found two.one is a lot of noise and the second one is a bar with no pool table or juke box.i also like the idea of an outdoor party house and when i look at the other place i can see that it might work. if anybody has any ideas of a club that i could get a membership or even a party house or whatever they call it please let me know. you have to look at the "membership" part of a club.I do not have a bar in my area, but if i did i'd keep it VERY low key. The noise factor there is high, mostly loud music that would bother the normal people in the area. But for me, i love to dance! I do not like to stand around, and listen to music, I want to party 82157476af
